RE: 2011-2012 School Year

Dear Prospective Tuller Families,

Again, welcome to the Tuller Family and we hope to see you soon! Especially in today's economy it is becoming increasingly hard to plan for rising living costs, including how to pay for private education. At Tuller School, we are happy to negotiate our tuition rates for those families that need a helping hand in order to give their child the best out of life. In order to continue our mission and for the education of your child to remain meaningful, we ask that all families contribute as much as they can afford toward their child's tuition.

Upon receiving your scholarship application, the application will be reviewed by the financial aid committee and school director. If you qualify for scholarship monies, the school director will complete a financial agreement with you that will be practical for both parties. In order to secure your financial aid, please apply as soon as possible!

If you have any questions about this process, please contact the office at (520) 747-1142.

Best Wishes,

Nannette Akins
Principal
